

## Computational analysis of protein-protein interactions: sequences, networks and diseases

30th May - 4th June 2016 | Budapest, Hungary

**ORGANIZER** 

ZSUZSANNA DOSZTÁNYI

BEötvös Loránd University, HU

**CO-ORGANIZERS** 

**AIDAN BUDD** 

European Molecular Biology Laboratory, DE

TOBY GIBSON

European Molecular Biology Laboratory, DE

TAMÁS KORCSMÁROS

The Genome Analysis Centre, UK

DÁVID FAZEKAS

Eötvös Loránd University, HU

TAMÁS SZANISZLÓ

Eötvös Loránd University, HU

CONTACT

TAMÁS SZANISZLÓ

tszaniszlo@caesar.elte.h

**SPEAKERS** 

**Miguel Andrade** 

Johannes Gutenberg University, DE

Aidan Budd

European Molecular Biology Laboratory, DE

**Holger Dinkel** 

European Molecular Biology Laboratory, DE

Nadezhda Doncheva

Max-Planck-Institut für Informatik, DE

Zsuzsanna Dosztányi

Eötvös Loránd University, HU

**Toby Gibson** 

European Molecular Biology Laboratory, DE

**Lars Juhl Jensen** 

University of Copenhagen, DK

Tamás Korcsmáros

The Genome Analysis Centre, UK

John "Scooter" Morris

University of California, US

**Marco Punta** 

Pierre and Marie Curie University, FR

**Victoria Schneider** 

The Genome Analysis Centre, UK

Ora Schueler-Furman

Hebrew University, IL

Allegra Sapienza Via

University of Rome, IT

**Natasha Wood** 

University of Cape Town, ZA

REGISTRATION

**Registration deadline** 

**01 February 2016** 

Abstract submission deadline

**01 February 2016** 

Selected participants will be notified by

**15 February 2016** 

Payment deadline

10 March 2016

STUDENTS/POST-DOCS......400 EUR

ACADEMICS......400 EUR

INDUSTRY......1000 EUR

Includes:

- Accomodation (7 nights)
- Course materials
- Meals, coffee breaks
- Social events, excursion
- Budapest card for public transportation
